16 JAN 1981

UNIT: Industrial Security Branch
DIVISION: Physical Security
DIRECTORATE: Physical, Technical, and Overseas Security

MISSION DESCRIPTION: To assist the Director in the implementation of his responsibilities with regard to the Agency's Industrial Security Program.

FUNCTION DESCRIPTION: Conduct unannounced comprehensive security audits of Agency and National program contractor facilities to (1) evaluate overall security capabilities and effectiveness, (2) review implementation of Agency security standards, policies and procedures, and (3) recommend actions necessary to meet requirements, correct deficiencies, and enhance existing security programs. Includes identification of facilities for audit, research and preparation, conduct of audit, debriefings, report preparation and post-audit follow up.
